Sush, could you mind stepping out for a while I need to speak to your sister for a while regarding some formalities.

Ma'am, your sister grades are not very good and we have a long queue of parents waiting to get their children admitted in our college.

Please sir, my sister is a really hardworking student. Please give her a chance to prove it

Well in that case you can pay a capitation fees of Rs Five Lakh

Rs Five Lakh!!!! We can't afford that, is there any other way?

There is another way.

But it will depend on what YOU are willing to do for your sister!

Anything

You have to shoot a small film for us, where you will be fucked by two men.

What!!!!

Don't worry it will be strictly for our enjoyment purposes. We've had many ladies who have gone for this plan. Now their daughters are happily studying in our college

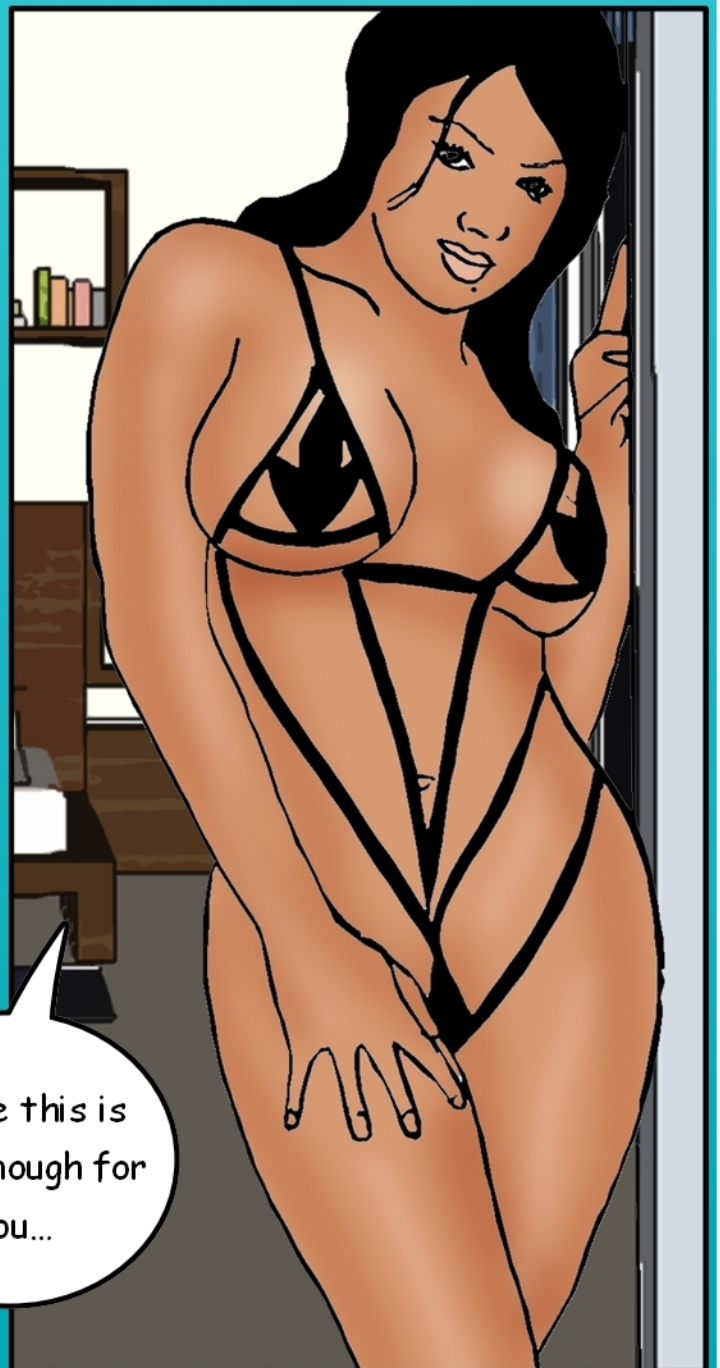

Ok, I will do that. Only it should be kept secret

Don't worry; all will be secret
